ONE YEAR TRAINING - Seasonal Yoga 2019 - 2020

This unique Yoga Training unites our human nature with the beautiful nature we are part of. Yoga strengthens and relaxes the body as well as the mind. During the training, you will deepen your knowledge of many aspects of yoga, including history, philosophy, anatomy, physiology, energy and nutrition. You will also learn to work with Chi Kung and other traditions based on the concept of energy. This training gives you the tools to work with yoga and meet different people's needs. Seasonal Yoga is centered

around the gentle and flowing practice of hatha yoga (physical yoga) which is also adapted to the changing energy of the seasons. During each module you'll increase your awareness through both practice and theory. The training will strengthen you as an individual and give you the confidence to inspire your future students to health and wellbeing.

Seasonal Yoga is a **200 hour training** and after attending you can apply for an International Certification through Yoga Alliance.

Seasonal Yoga - flowing hatha yoga in harmony with the seasons.
